The Energy And Environment Foundation-Modern Healthcare

Global Healthcare Awards 2021

April 15, 2021

D. O. No. EEF/GHA21/54

Date: 2nd November 2020

Dr. (Prof.) Pawan Kumar Choudhary
Dean
Vardhman Institute of Medical Sciences
Pawapuri (Nalanda)
Bihar 803115

Dear Dr. (Prof.) Choudhary:

Cordial Greetings from The EEF Global Healthcare Awards, New Delhi, India.

It is my pleasure to inform you that The Energy And Environment Foundation Global Healthcare Awards 2021, the industry's leading global award for innovation, excellence and achievement have made a positive impact on the modern healthcare- **are now open.**

The Energy And Environment Foundation (EEF) Global Healthcare Awards are conferred on the outstanding / highest achievers in International Healthcare Industry, Research / Management / Pharma Company / Health Insurance Company / Hospitals, Medical Colleges / Medical Units. The EEF Global Healthcare Awards are designed to recognize and award healthcare's best initiatives in scientific management of Hospital Medical Units, Industrial Medical Devices and Instrument Manufacturing Units, across the globe in competing areas like Technology, Innovation in New Vaccine / Medicine / Digital Medical Devices and Equipment. The EEF Global Healthcare Awards will be presented at the World Healthcare Conference (WHC21) on April 15-16, 2021 for the healthcare industry worldwide.

We **invite nomination** for your esteemed organization **Vardhman Institute of Medical Sciences** for the **"The EEF Global Healthcare Awards 2021"**. The EEF Global Healthcare Awards Ceremony will be held on April 15, 2021. Nomination Application along with documents in Softcopy in pdf format submits by December 31, 2020. Details view at www.worldhealthcareconference.in/awards.html OR intimate your interest through an email us at dranilgarg2011@gmail.com.

Abstracts are invited for the **WHC21** and take advantage of this opportunity to share your insight with the experts and global participants. Submit your abstract of original contribution in 150-200 words. The acceptable word range for the abstract is 200 – 250 words. We encourage you to send **informative abstract** (complete abstract) which is a summary of a paper's substance including its background, purpose, methodology, results, and conclusion. Please send in a brief biography together with the Abstract. Submit your abstract to dranilgarg2011@gmail.com.

I also request you to please **nominate group of faculty & students from Vardhman Institute of Medical Sciences in the World Healthcare Conference** to get international exposure for the Healthcare Sector. **All the students get Certificate of Participation in the Conference. Early bird discount closed on 31st December 2020.**

We look forward to your participation at the World Health Awards (WHA21).

With regards

Dr. Anil K. Garg
