To,

The Regional Director
IGNOU Regional Centre
Patna/Darbhanga/Bhagalpur/Saharsa

Sub: Regarding conducting of Induction classes and online theory classes along with practical classes in the respective Learner Support Centres (LSC's) where trainees are enrolled for 'Certificate in Community Health' for session July 2020.

Patna, Date :

Respected Sir/Madam,

As you are knowing that enrollment process of trainees under 'Certificate Course in Community Health' has been finished. Term End Examination for this batch is scheduled to be held in the first week of Feb 2021. Therefore prime time for startment of induction classes and theory-practical classes has come up.

As per our experience rapport has been generated from theory classes of session Jan 2020. Some change from the previous one is needed this time, only to complete the syllabi of BNS041, BNS042 & BNS043 in time. It is advisable that induction classes will be taken up first with physical presence of trainees in respective LSC's, followed by online theory classes (BNS041 & BNS042) along with practical classes (BNS043) as per norms simultaneously. It is noteworthy to mention here that learning activities should be followed as per guidelines of Covid-19. Hopefully syllabi would be covered fully following this modality.

Further it is wise to adopt panel of Nursing trainers approved by IGNOU which was utilised for session Jan 2020. Again it is important to send message to trainees for joining at their respective LSC's on 03-12-2020 by Program Incharge (PIC).

Therefore you are requested to support this intervention and come up with a concrete plan to take this forward.

This has been approved by Executive Director, State Health Society, Bihar in the file.
